Hi Rich,

We have a buyer who has stated they will submit an offer in April (as soon as the period during which a commission would be due if they purchased expires). They are quite excited about the property to say the least and we anticipate it will close as soon as they can complete their financing.

Best, [REDACTED]

Do you have a signed contract? Letter of understanding?
If not how do project a closing and escrow
Thank you

Rich

About the house: I was going to write you a long email, but won't.

Suffice to say, we should have an offer in April with a closing by mid

to late June. The escrow will be 60 days... and possibly even shorter.
