if you would like to have a conversation as to what i expect . lets set a time.. I tried to be as clear as I could the last time, to no avail.. I wrote three times that at the first inkling of a bad mood, awkward , uncomfortable attitude, It would immmediatly end. you chose to tell me that you felt unwelcome as a justification for just those things,, If you feel capable of being the charming friendly, person you told me you had become,, fine,, if not. lets just call it a day. its your call.. I m willing to give you another chance ,, but only one. I have tried to help , and am willing to continue to do so. I kept to my word and did nothing sexual or even intimate, you had a reason for violating our agreement that you thought was legitimate, I find no reasons for bad moods none whatsoever acceptable anymore. IF you chose to move , I will help with your rent.
