Hey love bucket,

Not sure how you have it working with admission and tickets, but do you think it's going to be possible for me to sign in with my own login as attendee as this way you can upload your profile and send emails to people prior that you'd like to connect with.

I don't want to tail spin in and out of this, I'm really wanting to make the most of it.

Am really hoping i can procure something valuable from the experience that in some ways helps gel together all that i've been working on.
