Hi Jason, Mr. Li and I are inclined to participate in Ian's new fund to 10M USD , he has forwarded the blueprints of his structure , could you work with Owen and Annamae to review/comment and expedite this as Ian wants to seize on some investments opportunities soonest .

Ian, Vivien's firm is best of the best with insightful advice , sorry they have to act from the other side of the table this time . Please let me host a lunch for you to meet with Vivien and her team next time you are in HK .
