correct she waited until Oct 20th to send her september time
i read the trail of emails and also my summary (see attached) which i believe they received and
it made no mention of paying old mj time (61k) and old DK and olivaria time (pre july 5th)
we paid off this summary the 100k and 140k and they misapplied funds: (it clearly stated that
all outstanding we were paying on were for post July 5th matters)
when we paid the 140k it included extra funds for Sep billing since Lilly was crying about the
September billing which she took 30 days to send..
