I want to go further with the experiment on finance/sasha grey guy. I want him to think of me everytime he fucks another girl and wishing it would be me.
You need to help me with that. It seemed to me he didn't like so much the hand on the cock, possible? more like swallowing and choking like sasha grey actually. plus he doesn't like me being on the top I think.
I have to do something surprising next time, like what?
talk to you later hopefully.

It really annoys me that I missed your call. Would you have time to call me today and if yes when?
I'm going to watch my phone.
When I have my first conversation with a guy I should always be impressed and very interested in what he is saying/doing, right? The conversation should be about him, right? What else?
