bed partners, are always replacable ,. true friends , relaible friends . caring friends. friends that truly think of the others needs are not. I am not offended , I am not insulted. I am just realistic. I did whatever i could to express my appreciation , and showed great respect. I was effusive in my praise of you , in front of others. I fully understand your decision. from your point of view. (your statement however that all I ask is one small thing,, and you are unwilling to compromise , has shown itself over and over and over again, to portend great strife.)
