[REDACTED]
[REDACTED] has been on [REDACTED] for a contest...

i will take her for brunch on Saturday (if Monsieur approves), interesting girl that thinks she knows everything. I like those types! (i liked her friend [REDACTED] on the pictures from [REDACTED] - but i guess she is your OLD friend)..

also my friend [REDACTED] seemed nice [REDACTED] , but need to work more on her. her horrible chanel look, etc...
looks like ALL models are wearing Chanel these days (including even my favoirite [REDACTED]!!!)
thank you so much you did not get it for me 2 years ago!!!

but i m creating a group of slighter smarter than average models. so could be interesting!
see you later today!!!
big kiss
