[REDACTED] had her mole removed today with Dr. Victor. Dr. Victor's office needs to send the mole to a lab for analysis. They are asking if [REDACTED] has insurance or if the lab is to send the bill to our office. I called [REDACTED] to see if she has insurance but had to leave a message. If [REDACTED] does not have insurance or acceptable insurance, do I tell Dr. Victor's office to have the lab bill sent to us?
