Hello Jeffrey,

I hope that you arrived safely there!

I wanted to thank you for coming to Abidjan.

It was a great pleasure for all of us to see you here.

You were the big gossip at the minister's council (they have one every wednesday with my uncle and the prime minister +36 ministers). And they were talking about you (only good talks from what Hamed told me).

I haven't talk yet with my uncle but the youngest told me that he was very happy!!!

Thank you so so so much again for your time, patience and comprehension.

Also one last thing, for David he knew already because he just wanted a confirmation from you.

Have a great night.
