She is doing a due diligence on your ass ;)

This is beyond what she should do. It seems that she really likes you ;)

Subject: lunch?

Hi [REDACTED] – It was coincidental timing that Rob connected us via email over the weekend, as I was thinking I wanted to connect with you to see if you wanted to have lunch some time. Boris mentioned to me that you used to work w Jeffrey Epstein, and I recently met w him related to our “private donor engagement” work.

Let me know if you have time for lunch or coffee just before or after the holidays – thanks!

Gabrielle
