Nothing more important than you . Don't drive yourself crazy . You did right

Sorry for all the typos .Sent from my iPhone

Sent it and got back that he is totally overwhelmed with reviews right now and can't even think until next Friday.

It was apologetic.

However, he also asked me how is going w my write ups. I am due 14 more!

In retrospect a timing was wrong but it is what it is.

I just need to survive during next few days. Will probably not sleep tonight and Saturday night.

Thank you God for Provigil ;)

See I am finally getting religious.

Sorry if I do not answer any of your emails for next few days.

B
