I asked you to come at 3 p.m instead of straight from shcool as the people would start coming at 4.. I spent the time to take you shopping myself. . I asked you if you had brought different shoes , as it would not be nice for you to wear the boots when the people arrived and you said you had,, Then you tell me you didn't know I needed you help.. and asked if you could find a boy to fuck spent hours doing nothing but talking to the girls. . It seems you focus on your modeiling , your world , and think little about helping me ..
