Subject: I am disappointed

I very much appreciate you both, I know there are many things to do --however I am now exhausted-- day after day of [REDACTED] either crying , being upset repeatedly about [REDACTED] - ([REDACTED]), going on and on about how bad the conference was progressing ,(bad food- terrible food,inedible food,tasteless food instead of bringing food from island or helping with solutions , all i listened to was complaints re the boring people , [REDACTED] and food , as you both know I care little about food. but had to listen re the subject for days on end, - [REDACTED] upset about scheduling a xmas vacation. (by the way did we check on the hotels availability in [REDACTED])? , . [REDACTED] .. My trip was planned way in advance for rest and intellectual stimulation . you both need to re focus. . my guess is that your time spent in front of your computers are allowing you to waste monstrous amounts of time. leaving you both stressed when there are real things to do. When it was time to leave , A time and date set days in advance . nevertheless everyone was running around at the very last minute, while the heli was waiting - stressing, I suggest you both try using your laptops for only emails and little else for awhile. I depend a great deal on you both for different things and to be thoughtful and organized. If you would like to discuss, we can set aside some time tomorrow If you guys need a vacation take one. [REDACTED] - ([REDACTED] walks into the kitchen and it is only then you hand me the table placement for tonight's event , ,that includes everyone else but her. , then you tell me only minutes before i try to go to sleep that you need to shop for a dress , though you went to miami only to shop).
