Hi jeffrey, I think you've a wrong impression of me.
The question about antidepressants says a lot (unless it is one for your jokes, but I doubt it as there was no sex involved ;).
Your questions don't translate easily in saying 'I'm happy now' as they are 'what if money from grandpa, perfect holiday etc'
Anyway, you did inspire me and I contacted a school in holland where you learn a language from 9 AM- 6PM for 5 days. I will go after my trip in capetown. Also I called the red cross and I will participate in a event they are doing tomorrow for mothers in need and then we talk more about my trip that we've planned in May to Africa.
And... next year I will find that teacher somewhere in manhattan;)
I will keep my eyes open for a new assistant, I can think of one person now, so will ask.
And last but not least I don't trust people I work with, I do trust my friends as choose them carefully

I have given our conversation a lot of thought. 1. You are great. and i am happy to have met. you. 2. Did your husband take your money as well as your trust.? , 3. I think as both you and I travel alot. I should introduce you to some intersting men, . Different countries, different fields of success. all nice people.. this does not mean that i have lost interest in you.. it is just that I belive in being a good friend, You can help me find new assistants. You have good judgement and a good eye. I am going to start, four new businesses and need more help. Smart young , men or women,, ambitious, and willing to work hard , long hours, lots of travel.
