Morning Gary,

We met few weeks ago and Jeff has brought me on board. We can talk later and get caught up.

What is your schedule to return to the island as I heard some dates but wanted to confirm. I want to make sure I will be there when you are.

Also, attached is the punch list that I have been directed to get complete with the focus on the Main compound and Flagpole. The location and sub-location columns are mostly for my benefit as I get up to speed with everything and we are still tweaking some of the items and responsibility. Do you want to me to keep you updated on this?

I plan on being back on island for the week of the 14<sup>th</sup> so let's talk next week.

Thanks

Marc
