Bon Voyage!

Beyond jealous you are on route to gay Paris.

I am in Kinderhook (upstate on the Hudson) with British intellectual Amanda Foreman...her dad Carl wrote "High Noon" and her FIVE kids...like the Jewish von Trapps.

Just read Entertainment Weekly Mike Nichols interview for "Death of a Salesman" and he said....

"I used to say that winning the Oscar means being back at the Beverly Hills Hotel at 1 a.m. feeling empty. It's the industry voting. It doesn't come from God. It doesn't change your life, really."

Just what Woody told me over Chinese last Sunday. Great minds think alike.

Have a fabulous trip.
