Subject: Burma?

Title: Burma?

John Pawson, famous English architect...his family and Angela Ismailos my Greek documentary filmmaker friend (who I go to Patmos with)...are putting together a xmas trip...

There is a boat up a river much like the fancy boats that take you on the Nile...

This sounds very interesting and I am getting more info today.

What do you think? Burman with a world class architect...who looks like Robert Redford in his good years....
