Well this is a very good question.
I'm waiting for MC2 to take care of my visa.
I also consider studying for another 2 years, I'm good at it and I enjoy it.
Have to make some money quickly, so I may go to China for a month.
Hope u are doing as great as usual! :)

Hello Mr. Epstein! :)
Just want to commend that I'm done with my university!
Passed my final exam today, got 5 and applause from my professors (the best grade in Poland)
for my presentation and 5 for 3 years of my studies on my final diploma!
Couldn't be happier!
