Hi guys.....I remember this party like it was yesterday....there was one waiter for every 2 or so guests....all white sooo chic!!

I have an 8x10 picture from this party...a close up (I think you gave it to me after the party) ...my hair was short and very blond...it is so pretty....after finding it in packed boxes last year , I had it in my den for awhile cause Woody loved it so much!!

Such fun times!!
xoxo
