I have received Lawrence Krauses book - Quantum Mind. It is signed inside and addressed to 'Alexa'. Would you like me to do something with it?

There is also another book - The manipulated Man - would you like me to send to you with Karyna.

Thinking of you with love and hoping that even though you are supposed to be on holiday...you might go to the gym...? It is reeeaally beautiful up there in the early morning with the big glass doors and the view of the ocean.

I love you
