Is this the building you were wanting to look at? Pretty amazing. I know the AlKholi family and the Son well. They put the money up for Macklowe Properties developing it. Not sure if it helps you in any way or if you were just going to look at it but happy to reach out to them if it helps with something.

Love the Church property by the way! Don't know the skeletons but looked pretty amazing from what I saw. Thanks for the invite.

If your still around on Thursday and can come by roughly what time were you thinking?

All the best,

Brian Vickers
