Jeffrey, It goes without saying that I appreciate every minute of your time, that I thought you knew. I had organised your Christmas gift a number of weeks ago, so the sentiment was already there.

That being said, whilst I'm surprised that you have taken such an interest in my own personal development and professional success, I will always be grateful for your friendship during this time. I'm not accustomed to asking for help and you have offered it to me without me having to ask. Such a generous act never goes unnoticed and is of course valued and appreciated.

Jeffrey, I value your friendship more than you know. I have wanted to convey this to you for some time... it has just been hard to admit it without exposing how vulnerable I really am.

Warmly,

Katherine
