Below from Polina. May I reach out to Dr. Victor again via email and ask that he see Polina on the 6th as well as Sue and Anastasiya?

I am so upset because I can't reach anybody from Victor's office. They've told me that they'll be close for a few days but I guess it takes much longer now. I need to start my treatment as soon as possible but I can't because they need to check my pregnancy and give me an prescription. Do you know anything about that?
