Subject: this weekend

I spent half day with Lind, Brockman and few other people you know.

It continues tmr and Sunday. It is called a Scifoo and hosted by Larry and Google ay Googleplex.

You would find few people interesting (but NOTHING cute! Even Davos or TED feel like a Paris fashion week!!! Hard to believe but thru)

Are you coming to Seattle on Thursday.

I will know my schedule on Monday when a surgeon returns from vacation.

B
