I had wanted nothing more than to come home and take a hot bath and go the bed, I arrived at 430 am my time with no sleep. After listening to, your diploma story, (now i have certificate it in case someone ever asks what I have been doing?) reading the letter from ARda, hearing about the dog , the yoga class, and then asking for you to please give me some quiet,, and as [REDACTED] was also talking , you got upset said I was being unfair. I had asked you to go to Orlando and search for dogs. I am aware that they can't be brought there until the end of the month when everyone leaves. I told you that Lyn and jojo, [REDACTED] could help with the dog and if it was going to mean once again not getting done what I asked , you could give it back. I appreciate your thoughts and feelings . I would ask that in the future , you prioritize what I actually ask you to do,
