I asked you to tell the truth,, you tell me I can't walk , my knee is swollen, then I see you out.. , the night before you tell me i stayed home with fever, then you tell me you went to dinner with anya , you tell me its not lying its just " hiding the facts ". I asked if you threw up in to toilet , you tell me no, definilty not. I ask you if you had your breast done, you tell me no, I ask you your age , and you lie, and then lie to everyone around, I ask if you had your teeth done, you tell me no. I am a friend. I tell you the truth, and you tell me but ANYA says this and Anya says that. . Thurs night I call , you told me you fell asleep. I am disappointed , that you do not understand how important the truth is to me. what ever it may be, I told you right from the beginning , I am not your russian boyfriend, I believe in you and want you to be independent and succesful,, to do that you cannot lie to me, IT might work in moscow. , but not in ny,
