It will be difficult – I leave for China on 9th – from there flying directly to NYC on 16th (Friday late night arrival) and leave on Monday 19th will be on the East Coast only.

From there I travel to Seattle until 23rd and from there to Moscow. I will be in Russia until 30th.

This means I will be on the east coast only one working day during September - Monday 19th

Also, her office is in DC and she travels as much as you and I do.

I think that the best would be that we go and visit her in DC some time in October.
