Hi..I'm doing great!spent all summer upstate on a house..love mowing the grass..shot guns,played paint ball..learn to drive dirt bike..
Found a new group of friends..ppl in our town are super nice!
I also worked a lot whole summer..september looks busy for me also..so work is going pretty well!!!
I'm also really skinny now..:)
I started my own corp based upstate so I'm saving a lot on taxes.
Also I'm trying to hang out with girls a little more because I was hanging out with guys all my life and I don't really have any girlfriends..haha
I think that's pretty much all my news
