Subject: Re: motor from gary

the template was made very sloppily,, the spiral did not grow to 18 inches that close to the center,, the bulge at 7 and 8 o'clock was taken out when gary and i were there, you can see from the lines themselves that this was quick and carelessly drawn

we laid out the template in red and added some pic,s of poured
does it look better from this angle ?
need more pic,s from other angles?

Gary
