tell him you are uncertain as to what to do? he has encouraged you to go into buisness ,, here is a joh that guarantees 75k with a likely bonus of 25k after one year.. you thought he should be proud. , but you understand ,, and he is your priority,, Tell him I told you that he said the big issue was your visa. and that he would conitvue to support you but i declined.. You would hope that he would feel good that you could be independent and not have to ask for money.
