Attached is the estimate for the repair of Big N

if we keep the barge then recommend full refurbishment @ estimated cost of \$48,872.00

if we sell the barge in the new year, then recommend refurbishment @ estimated cost of \$33,862.00

my recommendation is, haul out, confirm scope of work and cost, then proceed with only necessary repair to get us through the next few months

please note we do need to haul out to do the rams,

do i have you approval
