Jeffrey,
just checking if there has been a final decision on Africa trip and your comfort level after your conference call this morning?

Universal has postponed as long as possible the required insurance signature from JEGE with underwriters to bind coverage, since Darren and Universal's Attorney Mark have been discussing contract. If we delay any longer we will not have insurance coverage for a departure tomorrow, which doesn't matter if we are a no go.

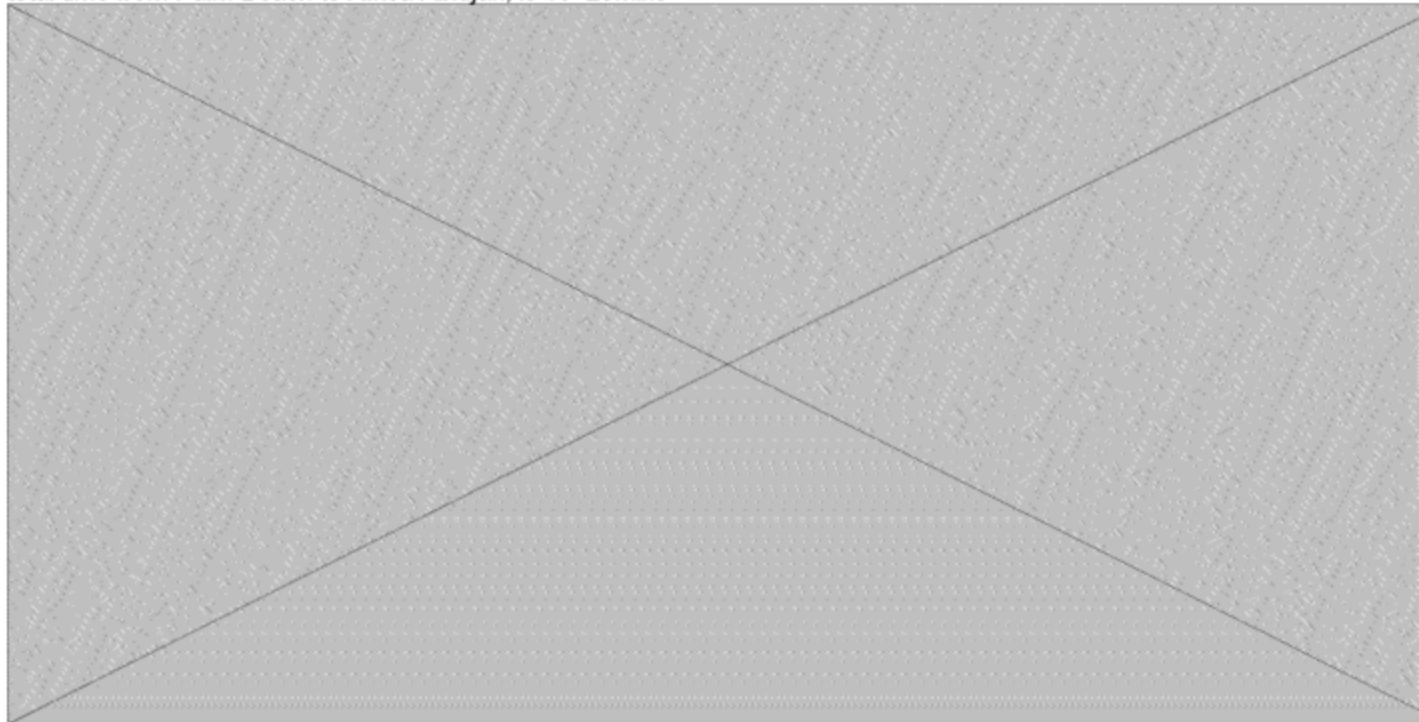

Universal Jet needs to have the wire transfer of funds in hand before our departure, realistically a Wednesday morning departure seems appropriate,. flight time 10+25min Palm bch to Africa.

I just spoke to John Hennin from Universal Jet, he indicated we would depart US as JEGE and initiate lease upon arrival in Africa.

I'd like to give Universal notice so they can make other aircraft arrangements for Ivory Coast,.the first Presidential flight is Friday to Paris.

Please advise? Go or No Go
Thank you,
Larry

total time from Palm Beach to Africa Abidjan, is 10+25mins

thank you,
Larry
