Apologies I was a week ahead! I thought I would come out on Monday afternoon 8/11, and return Wednesday 8/13. We'll work all next week and create the plans, refine the materials palettes and selections and will have some models started for each of the cabanas. Let me know if this will work for you.

I think you should have more time so that you come with some plans in mind unless you already are ready?

I think that's a good idea, it's difficult to share all of the ideas via email. I can flight out tomorrow afternoon and return on Wednesday morning, if that's OK with your schedule. I presume I fly into Santa Fe?
