Hmm, I don't think I knew you wanted to speak with him specifically. You had me call dr Merrell and tell him all was ok... And I know you had asked shimony's office for "Friday" and the assistant said the person you wanted to see does not work Friday's but you could come in any other day and to just let her know she would fit you in (even though they are booked solid). But after that I don't recall any other steps ?? Would you like him on the call list for Monday?
