he should understand that it is nothing more than going to school and instead of paying tuition, which would be a great amount, he gets his commute reimbursed and goes to school for free.

I feel embarrassed.

Do not know what to think re this anymore.

Sam told me that some girl from the office told him that he can start working there full time for \$12 per hour. He thinks that this is not worth as he spends more money on commute plus meals.

However, please do NOT act re this – this is only between us. I do not want to get even more awkward with Steve.

Also I hate that both of us are wasting so much time on this.

All is very wrong.

Talk to you soon
