Subject: Thank You

Jeffrey,

I would like to say that I was a bit surprised and disappointed when Darren informed me of my ending employment but I understand.

And I want to thank you for the opportunity you gave me 7 years ago and I feel that I gave you at all items 120% in everything that I did here. You have done so much for me and my family that I am eternally grateful to you and I hope that I have done everything that you have expected of me. I wish you the best and I will always be available for you if you ever need anything in the future all you have to do is ask. I didn't only think of you as my employer but as a friend as well.

Thank you

Emad Hanna
