Subject: Jes Staley

Jes will be in Europe the week of Sept. 12th. He is going to Bournemouth, London, Zurich and Basel. Jes mentioned to Rosa that he wanted to go to Paris for a night to see you but unfortunately it is not going to work this trip. However, Jes will be back in Europe the week of Oct. 24th and they can definitely make time during this trip to come and see you in Paris if you are still there.
