Jeffrey,

I just received all the pricing on these materials that have been purchased from MSI in ST. Thomas.

Now in order to compare apples to apples Jack of American Export was not able to price the cabinets that were purchased so this would bring down the total of the invoice from \$27,428.99 to \$21,143.99 so these are the materials Jack priced out and he came in at \$14,424.32 plus estimate a 20' container via Tropical at \$2,600 would bring this cost at \$17,024.32 a savings of \$4,119.67

Now I'm not aware of the timing and exact need for this material

So please advise on how you want me to proceed with the MSI invoice since all of this material has already been purchased.

Thank you
