You're right I did forget that you told me you're going to be in Europe for August.. I'm sorry. That makes it a little difficult to be able to meet up then..

I will be here when you get back and I have e-mail and my phone..

But honestly you seemed really upset with me. And I understand why. But ever since I met you five years ago you told me once I figure out what I want to do for school you would help me.. I never tried to ask for very much from you because I respect our friendship. And you taught me things that I would have never learned if I never met you. I'm very thankful for all that.

But the last conversation I had with [REDACTED] about school really hurt me...

Hello jeffery

No I didn't forget. I was in the airport all day on Friday because my flight ended up getting delayed push back and then canceled.. It was such a nightmare !!! I got into New York Saturday morning. Sorry for not calling. I got so flustered with the whole travel situation I wasn't thinking right.

I slept in today so I feel much better. I'm getting everything back into gear, I'm ready for the week to start.

If you like I can stop by this week??
