Oh...I'm sorry I haven't submitted my application for the JEE Foundation!
Steve asked me to wait till his wheels churned a little since he wanted me to be in sync with his timing.
These discussions are unusual and I am learning a lot about what corporate boards do, and a little about why they do them.
Steve is a really strong and super smart guy - times like this really demonstrate his true character, pretty impressive.
September I think is the new framework.
I'm on the road until July 16.
Miss you.
