Do you want Lily to be at the hearing today? She says she can go if you wanted her to sit in the back of the courtroom and just observe...but she knows you have 4 lawyers there already...she didn't want to have you paying for 5 lawyers if you thought it was overkill...but if you would like her to drive to Miami this morning she will. She hopes to hear back with an answer from either you or Darren as soon as possible. (i can relay the message to her of course)
