CV Georgina Casparis FEB2011.pdf

My ex-girlfriend 29, Swiss and lives in Zurich and runs an art gallery.
She did her Masters at Christies in NYC and wants to move back to NYC.
She needs a job as curator or curator assistant or similar like working at MOMA
etc.
See attached CV - a very hard working girl.
Any ideas...?
She used to be a model when I was with her, picture attached - note: she does NOT
look like this anymore.
