Subject: further discounts

Hi Igala. Please forward this message to Mr. Epstein. Thanks

Dear Mr Epstein

The last price I gave you is the lowest I will go. Many people have expressed interest in my plant collection, so I have no motivation to sell at liquidation prices. I am not a wholesale nursery. I am a collector/botanist/agronomist/landscape architect growing special plants that you will not find anywhere else. They have much more value than the price you are offering and are even worth more than what I am requesting. If all of this back and forth negotiating is just a game for you, I no longer wish to play.

I hope we can do business, but if you are short of funds now, and cannot afford my asking price after a 25% discount, it is not my problem.

Thank you again for your interest I hope to hear from you.
