Once again ,, i had no pictures of the master bedroom bench progress,, IT is wrong,, wrong , gary I have been clear regarding photos.. the wall that runs east west was never ever approved,, the height of the back back was also wrong.. We have discussed this over and over,, it is crazy, I would like a reason why it did not happen,, It has to be re done,, it is the most important area on the island , and it was left to others to decide.
