Jeffrey,

The plan is to start pre-buy log book research tomorrow morning and hopefully once contracts are signed, start taking apart aircraft also tomorrow. Aetna is motivated to close by Friday,.

Depending on your travel plans, If we do not depart tomorrow to STT, I'd like to be present at AAG during prebuy of the C+ (serial 472),. I am requesting oil samples from 472 be sent out tomorrow to assure engines are fine, its important since we'll be selling this C+, I'd like to know we are getting a sound trade-in, since it could bite us when we sell. I am confident our C++ is good, but since we are virtually going to own this c+ I want to make sure it is sound as well,.
keep me posted, and I'll watch the tropical storm heading toward Bermuda this week,.

thank you,
Larry
