Do you all well, dear? I hope nothing too serious, since our trip abolished. You know what? as soon as I received news today that we will not go, Tom called me and invited me to Broadway shows. I've never been to Broadway shows, and he promised to invite me when we first met ... Today is our last meeting before he move to chikago. wonder how the events are going. let me know when you will want me ;)

Regards,
