Hi [REDACTED] please ask Mr. Epstein if it is ok for me to be out friday June 10, I know its a short notice but I need to drive and help my wife to her after surgery doctors appointments .She needs to go to three different doctor appointments that day, she is not able to drive due to the pain medication she is taking . I will make up for the day by working Sunday June 12th to work security for the house during the puerto rican day parade , if JE feels it's needed to try keep things in check out front while he is in residence . I will also work late monday if needed for the dinner party. Thanks Rich
