Hey Jeffrey,
I need some help..
I have a friend arriving on friday from Brazil and am gonna need to entertain her. She wants to do a bunch of things:Disney, hershey park, possibly miami..
I am running really low on cash at the moment though as everyone I work with seems to be in and out of travel for the past 2 weeks..
If you can think of any extra work, or anything for me in the meanwhile.. I am available until the 22nd of June.
If you think of anything, please let me know, would help me a bunch!! :)
xoxo ale
