I asked that question to Gary Moses and was told the following for the new structures
Flagpole Pool 8
New cottage 4
Game room 4
New Bathroom by game room 4
Replace the gym building lights and other lights around the complex that need it.

And Brice would like about 50 for stock which I think is over kill

I can pretty much get the same price going forward if we need to get more

I would go with 50 lights for now

Thank you

Jeffrey,

I have a request to purchase 100 of these lights with a glass cover top.

I'm told that about 40 of them will be used on new structures and some will be used as immediate replacements and the rest will be for inventory

Total purchase price is \$11,169 I have priced this myself and it's the best price
